Bob,

We are hearing a rumor that Region 6 plans to send a letter by the end of April to TCEQ about UEC's Goliad project. Can you confirm?

When we last spoke you mentioned that the agency was close to reaching a resolution. If the rumors are accurate, we are hoping that the letter is part of the coordinated HQ process and not something that the Region is initiating on their own.

Thanks again for all the time you are personally devoting to bring this issue to closure. It is much appreciated.

Best,

Heather
